RE: Discovery Request

Dear Court,

MR. Byrd has requested discovery from defendant apart from MR. Byrd's request from them of medical records. Defendant has yet to respond to MR. Byrd's discovery request.

MR. Byrd has a March 15, 2018 deadline to respond to defendant's summary judgment. Without discovery MR. Byrd is unable to respond. MR. Byrd has made attempts to contact defendant's attorney but has gotten no response concerning discovery.

MR. Byrd is asking the court what he should do if the defendant fails to respond to MR. Byrd's request for discovery sent to them on 2/5/18.
